

Membership Investment 2015

The Rockford Chamber of Commerce is involved in supporting business and giving back to the local community. Each year, it is our goal to promote and become advocates for our cherished business. Our website has been a hub of area information for not only Chamber, but the other area organizations - giving our area the recognition and credibility it deserves.

This year, we would like to hear from YOU! How would you like to be a part of our continual effort to marketing and advertise our local area as a destination to shop, live and explore? As a member of our Chamber, you have the opportunity to have your voice heard. The more involvement we have from our members, the more activity and development we can create – TOGETHER.
